Spanish Speaking Countries 1

Campers will learn about the culture of 5 Spanish speaking countries. They will practice and develop their Spanish with dance, music, cooking and fun projects. Children will develop vocabulary and appreciation for diverse cultures. We will learn about Spanish speaking countries and their cultures through fun organized projects and activities.

Spanish Speaking Countries 2

Campers will learn about the culture of 5 new Spanish speaking countries, different countries from the first week.. They will practice and develop their Spanish with dance, music, cooking and fun projects. Children will develop vocabulary and appreciation for diverse cultures. We will learn about Spanish speaking countries and their cultures through fun organized projects and activities.

Yummy Snacks (Cooking class)

This is a cooking class where campers will learn how to prepare healthy snacks while practicing the Spanish language and learning a little bit about the chemistry of cooking. Campers will enjoy tasting and learning the basics of making healthy and flavorful snacks.

Math & Art Camp

Campers will discover mathematical magic using modern art. This camp provides children with an introduction to modern art and a deeper understanding of math concepts. As campers enjoy making masterpieces, they will practice their estimation, counting, measurement and number sense skills.

Yoga & Meditation Camp

Yoga and meditation are techniques that promote self-discipline, positive attitude and self-confidence. Their benefits are physical, mental and emotional, therefore children learn to manage their moods, and develop inner strength, clarity, and

creativity. These techniques also enhance listening skills, compassion, self-respect, and respect for others. These valuable tools will be utilized throughout campers' lives.

Art Lab

At this camp each activity is related to the work of a contemporary artist and their unique style. Campers will not only develop creativity but will also gain art vocabulary. We will focus on the process rather than the product.

Green Crafts

Campers will love making masterpieces using natural, reclaimed, and recycled materials. This camp encourages children to step outdoors, look around and appreciate nature. Using natural materials and exploring on our environment, we will raise awareness and better our understanding of ecological issues.

Cooking Around the world

Campers will learn how to prepare kids friendly dishes from around the world. Campers will enjoy tasting and learning the basics of making healthy and colorful snacks from different Latin speaking countries .

Green Thumb

Gardens are where children's imaginations engage nature, and the result is joyful learning. Gardening helps children develop an appreciation for the natural world and build the foundation for environmental stewardship. This camp is packed with information and inspiration to help you immerse children in gardening and outdoor learning experiences—green thumb or a perfect plot of land not required.

Class Cancellation Policy

First, we would like to encourage you to simply move to another available session so your child can have the experience of summer camp. If you have to cancel for any reason, the fee will not be refunded.

Atelier Preescolar reserves the right to cancel a class or camp if not enough students are enrolled. We will do so at least 5

days prior to the beginning of the class. In this event, you will be issued a full refund. Exceptions to this policy cannot be made for any reason, including weather or personal emergencies.

Withdrawals from a summer camp session before it begins are refunded less a \$50 cancellation fee provided you give us fifteen (15) days advance written notice. Due to instructor/school preparation costs, no refunds will be granted ten (10) days or less prior to the summer camp sessions start date.

To enroll go to www.atelierprescolar.com and download the camp enrollment form (under the CAMPS section). Mail the form, along with payment, to 8305 Hyw 71 Suite 100 Austin, TX 78735
